

We're a church family of all ages, learning how to follow Jesus in Lady Bay and seeking to be a generous presence in our community. The church is at the river end of Pierrepont Road.

Our Sunday services are at **9am** (communion) and **10.30am** (informal style with Kids church). Come as you are, whether full of faith or just wondering if there is more to life.

During the week there are many groups that meet in the church space and halls next door: choirs, exercise classes, Brownies, Toddlers, Tuesday coffee morning and a Friday evening youth club to name a few.

For other weekly activities, booking of halls and seasonal events leading up to Christmas, see our website for details. <https://www.ladybaychurch.org>
